Subject — Max-phalting certain important roads in Tumkur Town

I have the honour to state that the Municipal Council in their meeting held on 1-4-49 unanimously resolved that 5 main streets in Tumkur town may be max-phalted as the road are very dusty due to heavey traffic and causing great annoyance to pedestrins and to safe-guard the Public Health of the Town at an estimated cost of Rs 17,000/- The Town has become an important centre of traffic and is developing day to day, as such, the improvement of roads with the present day equipments are very necessary The Council resolved that the roads may be got max-phalted and that half the estimated cost may kindly be met out of the Town improvement grant by Government I, therefore, request that the moiety of estimated cost viz, 8500/- may kindly be sanctioned as Town Improvement grant and the other half of Rs 8500/- to be met out of the closing balance of the Municipal Funds for the current year A copy of the resolution & estimate also enclosed herein for favour of information

I am directed to invite a reference to the marginally* noted Government orders sanctioning grants out of Town Improvement Grant during the year 1948-49 and to state that it is reported that copies of the Government orders on the subject reached the Deputy Commissioner's office at Tumkur only on 2nd July 1949

1 *L 14948-5/ML 128-48-6 dated 30 6 49 sanctioning Rs 8,500/- to the Tumkur Town Municipality for maxphalting certain roads in the Town	
2 L 14935-7/ML 128-48-4 dated 30 6 49 sanctioning Rs 6,000/- as grant for Town Improvement to the Chicknayakanahalli Town Municipality	

Having regard to the fact that sanction was accorded to the grants during 1948-49 and as the amounts would be credited in the registers of the Treasury and of the Municipality by book adjustment and not by drawing the cash, I am to enquire whether the amounts may not be debited to the grants for 1948-49 alone and adjusted accordingly in the accounts The favour of an immediate reply is requested

With reference to your letter No L 295 dated 8-7-1949 regarding the adjustment of Government grants sanctioned in the

1) G O No L 14948-5/Ml 128-48-6 dated 30-6-1949 sanctioning Rs 8 500-0-0 to the Tumkur Town Municipality for maxphalting certain roads in the town

2) L 14935-7/Ml 128-48-4 dated 30-6-'49 sanctioning Rs 6 000-0-0 as grant for Town Improvement to the Chickanayakana halli Town Municipality

marginally noted two Government Orders for the year 1948-49, I write to state that in accordance with rules the adjustment in question should have been effected in the concerned Treasuries before 30th June 1949 in order to prevent lapse of grant as the official year has elapsed and the Treasury accounts for June 1949 are already closed no adjustment in the Treasury for 1948-49 is possible now Therefore the next best course open is to effect the adjustments in question in this office by means of a Transfer Entry for June 1949 Accounts and authorise the concerned Treasuries to raise the balances at the credit of the Municipalities concerned by a like amount quoting this office Transfer Entry and the month as authority for the same If Government were to approve of the above suggestion it will be carried out

An immediate reply in the matter is requested as the preliminary accounts for June 1949 have to be closed in this office shortly

Yours faithfully,

V Sreenivasan
